

Cry for You (Darren Styles Remix)

September

I never had to say goodbye
You must have known I wouldn't stay
While you were talking about our life
You killed the beauty of today
Forever and ever
Life is now or never
Forever never comes around
People love and let go
Forever and ever
Life is now or never
Forever's gonna slow you down
You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do
You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do
You never heard me break your heart
You didn't wake up when we died
Since I was lonely from the start
I think the end is mine to write
Forever and ever
Life is now or never
Forever's gonna slow you down
People live and let go
Forever and ever
Life is now or never
Forever's gonna slow you down
You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do
You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do
Forever and ever
Life is now or never
Forever never comes around
Forever and ever
Life is now or never
Forever's gonna slow you down
You'll never see me again
So now who's gonna cry for you
You'll never see me again

No matter what you do
You'll never see me again
So now who's gonna cry for you
You'll never see me again
No matter what you do
Forever and ever
Life is now or never
Forever never comes around
