

Arigato

Julie Bergan

I'm a big girl
Baby
Now why you acting so shady
Lately
You told me to baby
Zip me
Arigato leaded to
Gotta find another you
You're someone new I'm about to steal a car
I'm on my way to a random bar
I'm a colombus
Cause he went to far
I'm a big girl
Baby
Don't protect me from the big world
Baby
Oh, what you're trying to protect me from
I'm just trying to have some fun
But when we wake in the morning
Stuck in the corner Oh, just tell me what I have to say
I don't really like to play it safe Arigato motherf* Arigato *I'm a big shot baby
You can enter my upper
You see
Gotta let me go crazy
Baby
Arigato was in use
Everything you got to lose
Is me and you
All I wanna do is run
Wanna see you're working gone
I'm not a housewife
Never will be one
I'm a big shot
Baby
I'm the one who makes the big bucks
Baby Oh, what you're trying to protect me from
I'm just trying to have some fun
But when we wake in the morning
Stuck in the corner Oh, just tell me what I have to say
I don't really like to play it safe Arigato motherf* Arigato *What you're trying to protect me from
I'm just trying to have some fun
But when we wake in the morning

Stuck in the corner So Arigato *So Arigato *
