

# Until the End

## Breaking Benjamin

So clever  
Whatever  
I'm done with these endeavors  
Alone I walk the winding way  
(Here I stay)  
It's over  
No longer  
I feel it growing stronger  
I live to die another day  
Until I fade away Why give up, why give in?  
It's not enough, it never is  
So I will go on until the end  
We've become desolate  
It's not enough, it never is  
But I will go on until the end  
Surround me  
It's easy  
To fall apart completely  
I feel you creeping up again  
(In my head)  
It's over  
No longer  
I feel it growing colder  
I knew this day would come to end  
So let this life begin Why give up, why give in?  
It's not enough, it never is  
So I will go on until the end  
We've become desolate  
It's not enough, it never is  
But I will go on until the end  
I've lost my way  
I've lost my way  
But I will go on until the end Living is  
Hard enough  
Without you fucking up Why give up, why give in?  
It's not enough, it never is  
So I will go on until the end  
We've become desolate  
It's not enough, it never is  
But I will go on until the end I've lost my way  
I've lost my way  
But I will go on until the end

The final fight I'll win  
The final fight I'll win  
The final fight I'll win  
But I will go on until the end
