## Cash Cash

If you don't got money, don't fuck with us  
Fuck with us, fuck with us  
If you don't got money, don't fuck with us  
Fuck with us, fuck with us  
If you don't got money, don't fuck with us  
Can't fuck with us, can't fuck with us  
If you don't got money, don't fuck with us  
Don't fuck with us
