

All Hail Me

Veruca Salt

So sorry, lady.
So sorry now.
I've killed your baby.
I don't know how. So sorry, so sorry now.
So sorry, so sorry now. You-so sorry mister. (oh-oh, oh-oh)
But don't look now (oh-oh)
I've got your sister (oh-oh)
I shot her down.
So sorry, so sorry now.
So sorry, so sorry now. Cuz I'm a bad man, I do what I can.
I'm a bad man, I do what I can.
I'm a bad man, I do what I can. All hail me. So sorry mother
I've let you down
I'm soaked in blood here
I can't get out. So sorry, so sorry now.
So sorry, so sorry now.
So sorry, so sorry now. Cuz I'm a bad man, I do what I can.
I'm a bad man, I do what I can.
I'm a bad man, I do what I can. All hail me.
Ha, ha, ha, all hail me. (oh, I'm melting) (melt your baby) (that did not hurt so bad...)
