Never Felt This Way

Brian McKnight

There will never come a day, you'll ever hear me say that I want, and need to be without you.

I wanna give my all.

Baby just hold me, simply control me.

Cause your arms, they keep away the lonelies.

When I look into your eyes, then I realize that all I need is you in my life all I need is you in my life, cause I...

Never felt this way about loving.

Never felt so good.

Never felt this way about loving.

It feels so good. How it takes my breath, starts a pounding in my chest

Makes me weak when I think about you

Makes me wanna give my all Life wouldn't mean a thing

Not a heavy song to sing

Just emptiness if I dare to live without you.

When I look into your eyes, then I realize that

all I need is you in my life

All I need is you in my lifecause I Never felt this way about loving Never felt so good

Never felt this way about loving it feels so good

Cause I never felt this way about loving darling

Never felt so good Never felt this way about loving it feels so good

Never felt this way about loving

Never felt so good

Never felt this way about loving it feels so good
