

Lets Take Slow Steps

Yesterdays Rising

You're home now
and I can't imagine what it's like
to enter a stone wall building knowing you'll wake up different
waking up with a new way of life isn't what you wanted
but it's how it had to be for you to keep seeing the world
let's take slow steps so we can mold you right
let's begin right now
lift off and take flight
we're in these clouds and they rotate
let's take slow steps so we can mold you right
let's begin right now
lift off and take flight
we're in these clouds and they rotate
you came to with a mouth so dry
not knowing where you were
your immune system so low
a commes sickness would own you
you saw the stone walls and automatic doors
and I was waiting for you
I am your watch tower
[could you be any healthier?]
could you be any healthier?
I'm still waiting
still waiting to see
why why why why
you were taken by suprise
why why why
taken
