

Magnetic

MONSTA X & Sebastián Yatra

Monsta XI'm givin' it up baby That trying to resist what's automatic, anyway
Not givin' it up, bae
'Cause when you come around I got to have it
So whatcha think about that? No puedo alejarme, yo siempre caigo en la tentación
Baby, perderme en tus ojos no fue mi decisión
Una mirada que solo había visto en televisión
No peleemos con la ley de la atracción Your touch is magnetic
'Cause I can't forget it
(There's a power pullin' me back to you)
And baby, I'll let it
'Cause you're so magnetic, I get it
(When I'm waking up with you, oh)
Como un imán, nuestros labios se pegan
Besos vienen y se van
Pero aquí se quedarán cuando tu estás
Todo se vuelve posible
Porqué tu cuerpo increíble
Tiene una cosa que a mi me llama
Como un imán invisible, oh 'Cause I'm sold on what your love means to me
Forces of nature takin' my breath away
You make me wanna say (Oh) Your touch is magnetic
'Cause I can't forget it
(There's a power pullin' me back to you)
And baby, I'll let it
'Cause you're so magnetic, I get it
(When I'm waking up with you, oh)
Ay, no coma, I just wanna feel the flama on your body
And perspire like a magma, eh
Baby, I can feel the vibration when you call me so
Let me make a new karma
Lo nuestro es fuego
Answer my questions 'cause I'm getting so loco (Woo, woo)
Don't ask about it
But I can tell you this is all about magnetic, ay Your touch is magnetic
'Cause I can't forget it
(There's a power pullin' me back to you)
And baby, I'll let it
'Cause you're so magnetic, I get it
(When I'm waking up with you, oh) (I said it, I said it)
You know
