

White Lightning

The Cadillac Three

Faster than a heat seeking missile on a mission
Faster than a bass to a hook when daddy fishing
Faster than a wanted rolls off a hen house
Faster than a whiskey shot goes down down south Ooh, I saw white lightning
Ooh, I saw white lightning Faster than a queen running them red lights
Faster than the duke boys jumping that hillside
Faster than Elvis could shake on rock and roll
Faster than a skirt flying up on a road, I said
Ooh, I saw white lightning
Ooh, I saw white lightning Faster than number three breaking every record
Faster than a tree dies in the desert
Faster than a bug splattered on my windshield
Faster than you die when you take too many pills Ooh, I saw white lightning
Ooh, I saw white lightning White lightning, striking in the heart of VA
White lightning, oh oh yeah
Ooh, I saw white lightning
Ooh, I saw white lightning
Ooh, I saw white lightning
Ooh, I saw white lightning
