

# You and Me at Christmas

## Why Don't We

I know that it's a holiday  
but I aint the same without you babe  
it's been a while since I saw your face  
and I've been missing you  
remember whe we carved our name  
in december when the winter came  
it's been a while since I saw your face  
wish i was kissing you  
you're like cocoa on a christmas mornin'  
skip the presents yeah  
you're all I wanted  
I wonder how it's been in california  
do you remember?  
you and me at christmas  
you and me at christmas  
you and me at christmas  
you and me at christmas  
I know that it's a holiday  
and even though you're far away  
I hung your stocking by the fireplace  
cuz I've been missing you  
and now you're standing at my door  
looking even better than before  
and though it's cold outside  
my heart is warm  
cuz now I'm kissing you  
you're like cocoa on a christmas mornin'  
skip the presents yeah  
you're all I wanted  
I wonder how it's been in california  
do you remember?  
you and me at christmas  
you and me at christmas  
you and me at christmas  
you and me at christmas
