Lord I don't know which way I am going  
Which way the river gonna flow  
It's just seems that upstream, I keep rowing  
Still got such a long way to go  
Still got such a long way to go Then that light, it's your eye  
I know, I swear,  
We'll find somewhere the streets are paved with gold  
Bullets fly, split the sky  
But that's all right, sometimes, sunlight comes streaming through the holes  
Oooohhh ooooohh...
