

# Pool Mashup: Just the Way You Are / Just a Dream

## The Barden Bellas

Oh, her eyes, her eyes  
Make the stars look like they're not shining  
Her hair, her hair, falls perfectly without her trying  
She's so beautiful, and I tell her every day I was thinking bout her, thinkin bout me (I know, I know)  
Thinkin bout us, what we gon' be (When I compliment her she won't believe me)  
Open my eyes yeah, it was only just a dream (It's so, it's so, sad to think that she don't see what I see)  
But every time she asks me do I look ok  
It was only just a dream (I say)  
(When I see your face) So I travelled back, down that road  
Will she come back, no one knows  
(There's not a thing that I would change) I realize yeah, it was only just a dream  
Because you're amazing, just the way you are (It was only just a dream)  
When I see your face (So I travelled back, down that road)  
Will she come back, no one knows (There's not a thing that I would change)  
I realize yeah, it was only just a dream  
Because girl you're amazing, just the way you are (It was only just a dream.)  
When I see your face
