

Faith

[Dawn Richard](#)

Listen baby, take a seat, have a drink, it's on me
We've been deep, in the trenches, you never love me
Cheers to you, you're the shit, no one better than you
A toast to you love, I'm ok, but with you, I'm perfection
You never lost faith in me, yeah
Have your way, yeah, have your way, yeah
Have your way, yeah, aha, yeah
Have your way, not gonna lie, I owe you everything
Couldn't made it, in my life if you wouldn't have stayed
Cheers to you, you're the shit, no one better than you
A toast to you love, I'm ok, but with you, I'm perfection
You never lost faith in me
You never lost faith in me, yeah
You never lost faith in me, yeah
You never lost faith in me, yeah, yeah
Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way
You never lost faith in me
You never lost faith in me,
You never lost faith in me, yeah
You never lost faith in me, yeah, yeah
Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way.
