

Unexpected Song

[Sarah Brightman & Andrew Lloyd Webber](#)

It's not the end of the world if he's married.
Making do is nothing new.
It's not the end of the world it's just starting.
Half of one is better than none.
It's not the end of the world, no it's not.
If it's the end of the world, well so what! I have never felt like this,
For once I'm lost for words, your smile has really thrown me.
This is not like me at all,
I never thought I'd know the kind of love you've shown me.
Now no matter where I am, no matter what I do,
I see your face appearing like an unexpected song, an unexpected song that only we are
hearing. I don't know what's going on, can't work it out at all.
Whatever made you choose me?
I just can't believe my eyes, you look at me as though you couldn't bear to lose me. Now no
matter where I am, no matter what I do,
I see your face appearing like an unexpected song, an unexpected song that only we are hearing.
(Instrumental) Now no matter where I am, no matter what I do,
I see your face appearing like an unexpected song, an unexpected song that only we are hearing.
Like an unexpected song, an unexpected song that only we are hearing!
