Cause I do it do it like a girl  
I can make it happen like nadda nuttin to it  
Cause I do it do it like a girl  
If I don't got it I'mma go go get it  
Cause I do it do it like a girl  
Talking like I can't do what? Boy, quit it  
Cause I do it do it like a girl

Doing our thing and we shaking off hate  
With a 5, 6, 7, 8 Anything I want I can jump jump to it

Cause I do it do it like a girl

On everything that I'm gonna do  
And I ain't even flexin'
