

For All We Know

Stan Getz & Cal Tjader

We may never meet again
Before we go
Make this moment live again
We won't say goodbye
Until the last minute
I'll hold out my hand
And my heart will be in it This might only be a dream
We come and we go
Like the ripples, like the ripples in the stream
So baby, love me, love me tonight
Tomorrow was made for some
Oh, but tomorrow
But tomorrow may never, never come
Yes, tomorrow may never, never come
