

# Hide

## Creed

To what do I owe this gift my friend?  
My life?  
My love?  
My soul?  
I've been dancing with the devil way too long  
And it's making me grow old  
Making me grow old Let's leave, oh, let's get away  
Get lost in time  
Where there's no reason left to hide Let's leave, oh, let's get away  
Run in fields of time  
Where there's no reason left to hide  
No reason to hide  
What are you going to do with your gift dear child?  
Give life?  
Give love?  
Give soul?  
Divided is the one who dances  
For the soul is so exposed  
So exposed Let's leave, oh, let's get away  
Get lost in time  
Where there's no reason left to hide Let's leave, oh, let's get away  
Run in fields of time  
Where there's no reason left to hide  
No reason to hide There is no reason to hide  
There is no reason to hide  
There is no reason to hide  
There is no reason to hide  
Let's leave, oh, let's get away  
Get lost in time  
Where there's no reason left to hide Let's leave, oh, let's get away  
Run in fields of time  
Where there's no reason left to hide Let's leave, oh, let's get away  
Get lost in time  
Where there's no reason left to hide No reason to hide  
There is no reason to hide  
No reason to hide  
There is no reason to hide  
No reason to hide
