

# Somewhere

## Dave Brubeck & The Dave Brubeck Quartet

There's a place out there for us  
More than just a prayer or anything you've ever dreamed of  
So when you feel like giving up, 'cause you don't fit in down here  
Fear is crashing in, close your eyes and take my hand, yeah We can be the kings and queens of  
anything if we believe  
It's written in the stars that shine above  
A world where you and I belong where, faith and love will keep us strong  
Exactly who we are is just enough There's a place for us  
There's a place for us  
When the water meets the sky  
Where your heart is free and hope comes back to life  
When these broken hands are whole again  
We'll find what we've been waiting for, we were made for so much more We can be the kings  
and queens of anything if we believe  
It's written in the stars that shine above  
A world where you and I belong, where faith and love will keep us strong  
Exactly who we are is just enough There's a place for us  
There's a place for us So hold on, hold on  
There's a place for us  
We can be the kings and queens of anything if we believe  
It's written in the stars that shine above  
A world where you and I belong, where faith and love will keep us strong  
Exactly who we are is just enough Exactly who we are is just enough  
There's a place for us
