

# Overprotected (Darkchild Remix) [Radio Edit]

Britney Spears

I need time (time)  
Love (love), joy (joy)  
I need space (love)  
I need me (action!) Say hello to the girl that I am  
You're gonna have to see through my perspective  
I need to make mistakes just to learn who I am  
And I don't wanna be so damn protected There must be another way  
'Cause I believe in taking chances  
But who am I to say  
What a girl is to do?  
God, I need some answers  
What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected I tell them what I like, what I want and what I don't  
But every time I do, I stand corrected  
Things that I've been told  
I can't believe what I hear about the world  
I realize I'm overprotected There must be another way  
'Cause I believe in taking chances  
But who am I to say  
What a girl is to do?  
God, I need some answers  
What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected I need time (love)  
I need space  
(This is it, this is it) I don't need nobody tellin' me just what I wanna  
What I, what-what, what I'm gonna (I need)  
Do about my destiny  
I say no-no, nobody's telling me just what I wanna do-do  
I'm so fed up with people telling me to be  
Someone else but me (action!) What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel

But my life has been so overprotected I don't need nobody tellin' me just what I wanna  
What I, what-what, what I'm gonna  
Do about my destiny  
I say no-no, nobody's telling me just what I wanna do-do  
I'm so fed up with people tellin' me to be  
Someone else but me What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been so overprotected
