

Tom Violence

Sonic Youth

[Thurston]

My violence is a dream
a 'real dream'
a skinny arm
a crush on living sin
my violence
is a sleeping head
nodding out to rising bliss
I left home for experience
carved 'suk for honesty' on my chest
my violence is the number
coming out of prayer
find it in the father
find it in a girl
there's a thing in my memory
hoilding on for dear life
with a feeling of secrets
beating up under my flesh
my tongue is tied
I'm sleeping nights awake
Tom violence is a dream
coming out of a girl
