

Down Home

Alabama

Just off of the beaten path
A little dot on the state road map
That's where I was born and where I'll die Things move at a slower pace
Nobody's in a rat race
And these days that's a special way of life(CHORUS)
Down Home
Where they know you by name and treat you like family
Down Home
A mans good word and a hand shake are all you need
Folks know
If they're fallin' on hard times they can fall back home
Those of us raised up down home
In the corner of the hardware store
Gathered round on a checkered board
Old men telling lies and crownin' kings Kids drivin' round the old town square
Cops roll down int he cool night air
Go and see what's shakin' at the Dairy Queen(CHORUS)
Down Home
Where they know you by name and treat you like family
Down Home
A mans good word and a hand shake are all you need
Folks know
If they're fallin' on hard times they can fall back home
Those of us raised up down home When I was a boy I couldn't wait to leave this place
But now I wanna see my children raised Down Home
Down Home Folks know
If there fallin' on hard times they can fall back home
Those of us raised up
Down Home
Where they know you by name and treat you like family
Down Home
A mans good word and a handshake are all you need
Folks know
If they're fallin' on hard times they can fall back home
Those of us raised up
Down Home Down Home
Way down home
Down home
Down Home
Way down home
