

Spirit Move

Bethel Music & kalley

I feel it in my bones You're about to move
I feel it in the wind You're about to ride in
You said that You would pour Your spirit out
You said that You would fall on sons and daughters So like the rain come drench us in love
Let Your glory rush in like a flood We are fixed on this one thing
To know Your goodness and see Your glory
We're transformed by this one thing
To know Your presence and see Your beauty
I can see it now Your kingdom come
I can hear it now the sounds of heaven
You said that if we ask we'll receive
We are asking for the greater measure So like the rain come drench us in love
Let Your power rush in like a flood We are fixed on this one thing
To know Your goodness and see Your glory
We're transformed by this one thing
To know Your presence and see Your beauty
So come and blow on through
Spirit move we're ready for You
To come and blow on through
Come and do what only You can do
