

With You (feat. Kurt Kristen) [Live]

Flight Facilities

Take a risk
Well that's all you keep on saying
And the point that I'm relaying is it shouldn't be like this
And you know
While I'm sitting here this evening
I just know I should be leaving but it's too late for me to go
And now a kiss
Well you planted that one on me
And granted it has thrown me and it's futile to resist
But don't you see
If people see us here together, we've thrown it all awayI, oh I,
I just can't be seen with you
Oh I
I just can't be seen with you
Lets go
And get away to somewhere quiet
Where we can be in private away from prying eyes
And loose lips
That'll get us into trouble see the whole world tumble down
Well you say you're feeling crazy
And I'm feeling crazy too
But I couldn't carry on like this without it hurting you
'Cause you know that I am married
And I know that you are too so
I just can't be seen
With youOh I
I just can't be see with you
Oh I,
I just can't be seen with you
I just can't be seen with
I just can't be seen with
I just can't be seen with youOh I, Oh I
I just can't be seen with you
Oh I,
I just can't be seen with you
Oh I, Oh I
I just can't be seen with you
Oh I,
I just can't be seen with you
