

# Wild Heart

## Daughtry

You used to be the girl that set the world on fire  
And they doused your soul in water but the flames reached higher  
Used to act so tough like you could walk on a wire  
And they called you devil's daughter, such a pretty liar  
Yea

Yea You were burning like the summer, crazy like a fox  
You hit harder than a drummer, like a wave on the rocks  
You could play me like the lotto, you were playing a part  
There ain't nobody could tame you and your wild heart  
Yea Yea

Take me back

To those barefoot summer nights

Take me back

Running down those highway lights

Remember when

We said don't let go 'till we die

Take me back

To that fire in your eyes

'Cause I know it ain't gone too far

Take me back to you and to your wild heart Yea

To your wild heart Yea

You used to be the girl that could light up a room  
And with the flip of a switch I bet you still do You will leave a trail of danger yea wherever you  
go

And no matter where it lead me I would follow

Yea

Mm yea

You look beautiful in blue jeans, holes on the knees

You were smoking like a cigarette, I couldn't breathe

Used to rock around the ballroom, dance on the bar Baby nobody could tame you and your wild  
heart

Take me back

To those barefoot summer nights

Take me back

Running down those highway lights

Remember when

We said don't let go 'till we die

Take me back To that fire in your eyes

'Cause I know it ain't gone too far

Take me back to you and to your wild heart

Yea To your wild heart

Yea

You used to be the girl that set the world on fire  
And they doused your soul in water but the  
flames reached higher  
You'll always be the one that keep me crazy inside  
And if you got a wild heart don't you let it die  
Take me back  
To those barefoot summer nights  
Take me back  
Running down those highway lights  
Remember when  
We said don't let go 'till we die  
Take me back  
To that fire in your eyes  
'Cause I know it ain't gone too far  
Take me back to you and to your wild heart  
Yea  
To your wild heart  
Yea  
To your wild heart  
To your wild heart  
Yea
