

# Hysteria

## Muse

It's bugging me  
Grating me  
And twisting me around  
I'm endlessly  
Caving in  
And turning inside out Because I want it now  
I want it now  
Give me your heart and your soul  
And I'm breaking out  
I'm breaking out  
Last chance to lose control  
It's holding me  
Morphing me  
And forcing me to strive  
To be endlessly  
Caving in  
And dreaming I'm alive Because I want it now  
I want it now  
Give me your heart and your soul  
I'm not breaking down  
I'm breaking out  
Last chance to lose control  
And I want you now  
I want you now  
I feel my heart implode  
And I'm breaking out  
Escaping now  
Feeling my faith erode
