

# Monsters in the Ballroom

## In Flames

Without the sense of space or time  
The infinite, the endless static  
And doubt, doubt will never add away  
Let us play a game  
If you take my hand I'm gonna get you out of here  
Away from the monsters in the ballroom  
And the swaying chandeliers  
Tormented minds, they wonder  
Gripping away from the line  
I will lift you up, my friend  
You have to learn to breathe again  
Let us play a game  
If you take my hand I'm going to get you out of here  
Away from the monsters in the ballroom  
And the swaying chandeliers  
Unlock the secrets  
Let us find the memories  
Find ourselves some room, let's turn them into something  
You're lost within  
Fading out, a world that threw you away  
Let us play a game  
If you take my hand I'm going to get you out of here  
Away from the monsters in the ballroom  
And the swaying chandeliers
