Just For

Nickelback

I want to Take his eyes out Just for looking at you Yes I do I want to take his hands off Just for touching you Yes I doAnd I want to rip his heart out Just for hurting you And I want to break his mind down Yes I do, yes I do, yes I do And I want to make him regret life since the day he met you Yes I do And I want to make him take back All that he took from you Yes I doAnd I want to rip his heart out Just for hurting you And I want to break his mind down Yes I do, yes I do, yes I do, yes I do And I want to rip his heart out Just for hurting you And I want to break his mind down Yes I do, yes I do, yes I do
