

Crush (David Morales Radio Alt Intro)

Jennifer Paige

Ahh, crush, ahhhI see ya blowin' me a kiss
It doesn't take a scientist
To understand what's going on baby
If you see something in my eye
Let's not over-analyze
Don't go too deep with it babySo let it be, what it'll be
Don't make a fuss and get crazy over you and me
Here's what I'll do
I'll play looseNot like we have a date with destiny
It's just (aah) a little crush (crush)
Not like I faint every time we touchIt's just (aah) some little thing (crush)
Not like everything I do depends on you
Sha-la-la-la, sha-la-la-la
It's raising my adrenaline
You're banging on a heart of tin
Please don't make too much of it baby
You say the word forever more
That's not what I'm looking for
All I can commit to is maybe
So let it be what it'll be
Don't make a fuss and get crazy over you and me
Here's what I'll do
I'll play loose
Not like we have a date with destiny
It's just (aah) a little crush (crush)
Not like I faint every time we touch
It's just (aah) some little thing (crush)
Not like everything I do depends on you
Sha-la-la-la, sha-la-la-la
Vanilla skies (vanilla skies)
White picket fences in your eyes
A vision of you and me
It's just (aah) a little crush (crush)
Not like I faint every time we touch
It's just (aah) some little thing (crush)
Not like everything I do depends on you
Sha-la-la-la
Not like I faint every time we touch
It's just (aah) some little thing
Not like everything I do depends on you
Sha-la-la-la
Not like I faint every time we touch

It's just (aah) some little thing
Not like everything I do
