

Burden

Opeth

I
Once upon a time
Carried a burden, inside
I sung a last goodbye
A broken rhyme I had underlined
There's an ocean of sorrow in you...
Sorrow in me
...
Saw
Movement in their eyes
Said I no longer, knew the way
Given up the ghost
A passive mind submit to fear
And the wait for redemption at hand
...
Waiting to fail
...
Failing again
...
If
Death should take me now
Count my mistakes and, let me through
Whisper in my ear
You taken more than we've received
And the ocean of sorrow is you
