

# Still In Love

## Cat Power

(Hank Williams) Today I passed you on the street  
And my heart fell at your feet  
I can't help it if I'm still in love with you  
Someone else stood by your side  
She looked so satisfied  
I can't help it  
I'm still in love with you  
A picture from the past came slowly stealin'  
As I brushed your arm and walked so close to you  
Then suddenly I got that old-time feelin'  
I can't help it  
I am still in love with you  
It hurts to know another's lips will kiss you  
And hold you just the way I used to do  
Oh heaven only knows how much I miss you  
I can't help it  
I'm still in love with you
