

# She Don't Love Me (feat. Chris Brown)

## Boosie Badazz

Oh I know, na na na  
You see who's real(- Chris Brown & Boosie Badazz)  
Oh girl  
I been looking for somebody who gon hold me down in this cold world  
Where you girl? Oh  
Oh girl, she don't love me like she say she do  
Oh girl, she don't love me like she say she do  
Oh girl, she don't love me like she say she do  
Oh girl, if she did then why she say she do?  
Oh, she don't love me like she say she do  
Oh, she don't love me like she say she do  
Oh, she don't love me like she say she do  
She don't do the shit she say she do  
(1 - Chris Brown & Boosie Badazz)  
Monday, she acting like she don't really miss me  
Tuesday, I feel a difference in her kiss  
Wednesday, we sexing harder when we finish  
Thursday she tripping, club all night Friday  
Stand by me, Whitney and...be my rock girl  
Paparazzi no freedom but at the house girl  
And baby I don't wanna leave ya, baby I don't wanna leave  
But baby, I don't really need ya either  
Front of Harlem, scared to love  
Perfect career, perfect face and that ass, ooh I'm scared of her  
Got too much to lose doing you but you worth it  
If we make it we deserve it(Repeat)  
(2 - Boosie Badazz)  
Let me tell you 'bout oh girl  
She say she me ride or die but she barely smile  
Went to prison you acting different, where you at now?  
I need a soldier, someone real, someone to come get me  
When all odds against me, I need a Navy Seal  
If that you can't do, you don't love me like you say you do  
Loyal to your honesty, the only way we make it through  
Sometimes, she be sweet as cotton candy  
But most time, she look at me like she can't stand me  
I need sunshine, a bad chick to make me happy  
Sexing keep me laughing, text me something nasty  
System against me, the world call me an outcast  
So I need a down chick, if you ain't down you down bad(Repeat)
