

# She's a Lady

## Forever the Sickest Kids

I'm in love with a girl I hate  
She enjoys pointing out  
Every bad thing about me  
I'm in love with a critic and a skeptic A traitor  
I'd trade her in a second...  
She's a backseat driver  
A drama provider An instant update of the world  
She's a first-class liar  
A constant forgetter (She's attractive but bitter)  
Did you scream enough to make her cry  
Did you turn around  
Turn around  
Baby don't return to me  
If you think  
That I'm not worth your time  
She's a lady  
And ladies  
Shouldn't be mesed with She's a lady  
And ladies  
Shouldn't be messed with  
Take off your shoes  
Come in the room  
And baby let's try not to argue Turn out the lights  
Turn on the radio  
How can we fight when I'm too busy loving you  
I'm too busy loving you  
Did you scream enough to make her cry  
Did you turn around  
Turn around  
Baby don't return to me  
If you think That I'm not worth your time  
She's a lady  
And ladies  
Shouldn't be messed with  
She's a lady  
And ladies  
Shouldn't be messed with  
Here I am  
There you go again  
Again  
And we will not ever be 18 again  
Again

And I'm worn out of fighting  
And every night you leave crying  
And I could use some time  
And here I am  
There you go again  
Again  
So here I am, dying  
Waiting for you  
Waiting for you  
Come back, come back to me  
And I'll take you gladly  
And I'll take you anyway  
Did you scream enough to make her cry  
Did you turn around  
Turn around  
Baby don't return to me  
If you think  
That I'm not worth your time  
She's a lady  
And ladies  
Shouldn't be messed with
