

Anonymous Club

Courtney Barnett

Let's start an anonymous club, we can sit close in the dark.
Come round to mine, we can swap clothes and drink wine all night.
Turn your phone off friend, you're amongst friends and we don't need no interruptions.
Leave your shoes at the door, along with your troubles.
Let's start an anonymous club, I'll make us name badges with question marks.
Come round to mine, we can swap clothes and drink wine all night.
Turn your phone off friend, you're amongst friends and we don't need no interruptions.
Leave your shoes at the door, along with your troubles.
Thank you for cooking for me, I had a really nice evening, just you and me.
