

Girl

Far

I am not to blame (I was just a little girl).
I am still ashamed in a way.
But you never said you were just a little girl;
you can always call my name.
All for love... so you said.
Out of love... so I fell.
Things you never said (I was just a little girl).
Were you scared or ashamed?
Then you took away my little place in the world,
where I would play.
All this time... You will never say
I was just a little girl ever again.
