Lips

Marian Hill

Sinking fast, undertow Pull me in, don't let go On your mark, ready set Feel your breath on my neckYour lips, they got me going Heart flips, you got me floatin' Your lips, your lips Your lips, they got me going Heart flips, you got me floatin' Your lips, your lipsOverwhelmed, hazy eyes Staring at tinted skies And I like what we do Running wild just us two Your lips, they got me going Heart flips, you got me floatin' Your lips, your lips Your lips, they got me going Heart flips, you got me floatin' Your lips, your lips Your lips, they got me going Heart flips, you got me floatin' Your lips, your lips Your lips, they got me going Heart flips, you got me floatin' Your lips, your lipsSip each second drink it slowly Watch the hours melt away Sip each second drink it slowly Watch the hours melt away Your lips, they got me going Heart flips, you got me floatin' Your lips, your lips Your lips, they got me going Heart flips, you got me floatin' Your lips, your lips Your lips, they got me going Heart flips, you got me floatin' You got me float in' Your Flips
