

Moody's Mood for Love / Teo Licks

Amy Winehouse

There I go, there I go, there I go, there I go
Pretty baby you are the soul who snaps my control
Such a funny thing but every time you're near me, I never can behave
You give me a smile and then I'm wrapped up in your magic
There's music all around me, crazy music Music that keeps calling me so very close to you,
turns me your slave
Come on and do with me any little thing that you want to
Anything, baby just let me get next to you
So am I insane or do I really see heaven in your eyes?
Bright as stars that shine up above you in the clear blue skies How I worry 'bout you, just can't
live my life without you
Baby come here, don't have no fear
Oh, is there a wonder why I'm really feeling in the mood for love
So tell me why, stop to think about this weather, my dear
This little dream might fade away
There I go talking out of my head again
Baby won't you come and put our two hearts together?
That would make me strong and brave
Oh, when we are one, I'm not afraid, I'm not afraid Now if there's a cloud up above us come on
and let in rain
I'm sure our love together will endure a hurricane
Ooh my baby won't you please let me love you
And give relief from this awful misery? What is all this talk about loving me, my sweet?
I am not afraid, not anymore, not like before, can't you understand me?
Now baby please pull yourself together, do it soon
My soul's on fire, come on and take me
I'll be what you make me, my darling, my sweet
Oh baby, you make me feel so good,
Let me take you by the hand
Come let me visit out there in that new promised land
Maybe there we can find a good place to use a lovin' state of mind
I'm so tired of being without it, never knowin' what love's about
Vince Henry you can come on over here
You can blow now if you want to, I'm through
