

Back In Your Arms Again

Lorrie Morgan

(verse 1)

i used to do you like this
do you like that
this way that way anyway but the right way
was ok baby
oh i guess you had to leave before i could see
that you're the only one with everything i need
but you won't even call me
you won't even talk to me
come on and talk to me

(chorus)

oh baby,
if i could be back in your arms again
i'd tell you all the things
i should have said back then,
i wanna let you know just how wrong i've been
oh how wrong i've been
oh honey,
you know if i could just hold you one more time
and tell you all the things
that i've got on my mind
how could this grown girl be so blind
how could i be so blind

(verse 2)

you used to do me so good
do me so right
everytime i need you in the middle of the night
you'd be right there baby
oh i never thought i'd wake up and you'd be gone
if you could find it in your heart to come back home
honey if you let me
i can make it up to you,
i'll make it up to you

(chorus)

oh baby,
if i could be back in your arms again
i'd tell you all the things
i should have said back then,
i wanna let you know just how wrong i've been
oh how wrong i've been
oh honey,
you know if i could just hold you one more time

and tell you all the things
that i've got on my mind
how could this grown girl be so blind
how could i be so blind
(bridge)
i was havin' me a good time givin' you a bad line
everytime i got home
but now i'm goin' insane i thought
i had a good thing
my good thing's as good as gone
(chorus)
oh baby,
if i could be back in your arms again
i'd tell you all the things
i should have said back then,
i wanna let you know just how wrong i've been
oh how wrong i've been
oh honey,
you know if i could just hold you one more time
and tell you all the things
that i've got on my mind
how could this grown girl be so blind
how could i be so blind
oh baby,
if i could be back in your arms again
i'd tell you all the things
i should have said back then,
i wanna let you know just how wrong i've been
oh how wrong i've been
oh honey,
you know if i could just hold you one more time
and tell you all the things
that i've got on my mind
how could this grown girl be so blind
how could i be so blind
