

Bands

Comethazine

Bands-bands-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch, ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pocket
Come and get your mans-mans-mans
'Fore I up my rocket
Ooh, bands-bands-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch, ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pocket
Come and get your mans-mans-mans
'Fore I up my rocket
Pull up with a choppa, let it eat, aye
Yah, walkin', Jesus sandals on my feet, aye
Ooh, talk with shiny gold all up on my teeth, yah
Ooh, and I'm rockin' Goyard and Supreme, aye
Yah, pull up with the choppa, watch 'em freeze, ooh
I got a shooter and he gon' take off his knees, aye
All it takes is two shots, watch his body drop
Bitches on my dick cause I skrrt off the lot, aye
Skechers on my feet but I'm a rich guy, yah
Cannot fuck with hoes 'cause they be picking sides
Ice-ice-ice, that's my neck talkin'
Ooh, and I'm rocking Goyard and Supreme, aye (that's that check)
Bands-band-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch, ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pocket
Come and get your mans-mans-mans
'Fore I up my rocket
Ooh, bands-bands-bands, that's a check talkin'
Take off your pants-pants-pants
Bitch, ain't no time for talkin'
Watch me do my dance-dance-dance-dance
Bands in my pocket
Come and get your mans-mans-mans
'Fore I up my rocket
