

Lightning

The Wanted

Your in control
Pressing pause on my heartbeat
Someone stole all the air
So I can't speak now
I know the chase is on
I feel as though
My time has come How many times do I fly
Through your head space
Now it's speeding away
From a safe place Yeah your skin
Your touch the kiss
The rush too much
And here it comes
When your lips touch mine
It's the kiss of life
I know I know
That it's a little bit frightening
We might as well be playing
With lightning We touch like
Like it's our first time
Oh oh
I know that it's a little bit frightening
We might as well be playing
With lightning now Oh oh
Oh oh Just you and me and the
Goats in the back room
Learning things they don't
Teach in classroom
Now, your here
And feel the fear
But everything is all so clear
I've been addicted to you
Since it first hit
Out of control like a surge of electric Yeah, your skin
Your touch the kiss
The rush too much
And here it comes When your lips touch mine
It's the kiss of life
I know, I know
That it's a little bit frightening
We might as well be playing
With lightning We touch like

Like it's our first time
Oh oh
I know it's a little bit frightening
We might as well be playing
With lightning now Oh oh
Oh oh
Oh oh
Oh oh Your skin, your touch
The kiss, too much
Your skin, your touch
To kiss, the rush
Your skin, your touch
To kiss, too much
The rush, the rush
The rush, the rush When your lips touch mine
It's the kiss of life
I know, I know
That it's a little bit frightening
We might as well be playing
With lightning We touch like,
Like it's our first time
Oh oh
I know it's a little bit frightening
We might as well be playing
With lightning now Oh oh
Oh oh
