

Love

Lyfe Jennings

Love, love, love
Love, love, love, love
Love, love, love
Love, love, love, love I love it when her heartbeat speeds up
I love it when she says, "Go deeper"
If you don't really want her, I'll keep her
And she'll be my girl, world See I don't wanna break up a happy home
But since she ain't happy, I don't feel a problem
If you don't wanna lose her and be alone
Give her the world 'Cause there's always
Somebody that's watchin' your girl
There's always
Somebody who feels he can be better, yeah
You can call me a hater
But she gon' call me later
My advice to you, player
If you want your girl, need your girl
Show her some Love, love, love, love
Love, love, love
Love, love, love, love
Love, love, love, yeah Love, love, love, love
Love, love, love
Love, love, love, love
Love, love, love, yeah I love it when she sends text messages
L-O-L, smiley face blow a kiss
She said as she let me mushy, gotta resist
'Cause she's still your girl
Though I don't understand, I let her go for now
'Cause deep in her heart she wanna work it out
But if she ever gets tired of waitin' around
She'll be my girl 'Cause there's always
Somebody that's watchin' your girl
There's always
Somebody who feels he can be better, yeah You can call me a hater
But she gon' call me later
My advice to you, player
If you want your girl, need your girl
Show her some Love, love, love, love
Love, love, love
Love, love, love, love
Love, love, love, yeah Love, love, love, love
Love, love, love

Love, love, love, love
Love, love, love, yeah Okay, question
Whatever happened to affection?
Pick up the phone, young man
(Stop textin') Pulling some wet dog
Like you a Mexican
Stop the fightin'
(You can be a veteran) Late night, nigger
They complain you don't let 'em in
She's just a woman
You can't do no better than You say you got game
But you're sittin' on the bench again
And now you askin' how
You must be at the end Loving you is easy
'Cause you're beautiful
Loving you from your head
Down to your cuticle Whoa, love
Show her some love
Show her some love
Show her some Show her some love
Show her some
Show her some love
Show her some
