

Deny

Default

Today I woke up
And you were gone
The whole day wondering
What I did wrong
It's like I'm falling from a
A mountaintop
My heart keeps pounding
And it won't stop Can you see this
Hell I'm leaving
I'm not giving up
Will you crawl to me?
Will you fall with me?
I'll never crawl to you
I've done it all for you Well don't deny
The hand that feeds you, needs you
Oh God I'd die to try to
Finally please you There goes a piece of me
Will I cease to be?
I've never lied to you
Fought, bled and died for you Well don't deny
The hand that takes you, breaks you
Oh God I'd died to try to
Finally please you
There she goes
I'm on the ground, I'm on the ground, I'm on the ground
There she goes
I'm on the ground, I'm on the ground, I'm on the
There she goes
I'm on the ground, I'm on the ground, I'm on the
There she goes
I'm on the ground, I'm on the ground, I'm on the Well don't deny
The hand that feeds you, needs you
Oh God I'd die to try to
Finally please you Will you crawl to me?
Will you fall with me?
I'll never crawl to you
I've done it all for you
