

# Fabulous

## Ally Brooke

Ooh, ooh, ooh  
Nobody's perfect  
I got my flaws, but man, I'm gorgeous (man, I'm gorgeous)  
He keeps on calling 'cause I'm worth it (ooh, ooh, ooh)  
Keep him in check, I make him earn it, ooh, ooh  
In my past  
I put my heart in someone else's hands  
Let everybody tell me who I am (ooh, ooh, ooh)  
But now I understand  
That if I'm gonna love someone (one)  
I'm just gonna love myself (self)  
I already know I'm fabulous  
I don't need no one else (no one else)  
And yes I'm gonna love my curves (curves)  
And yes I'm gonna love my scars (scars)  
And I'ma be the only one (one)  
Who's never gonna break my heart  
I woke up feelin' fabulous (hey sister, go sister, oh sister, woah)  
Don't wait on me,  
I'm fabulous (hey sister, go sister, oh sister, woah)  
I woke up feelin' fabulous (hey sister, go sister, oh sister, woah)  
Don't wait on me, I'm fabulous,  
Hey (hey sister, go sister, oh sister, woah)  
I know my purpose  
Yeah they can talk but I don't notice (I don't notice)  
They only see what's on the surface (ooh, ooh, ooh)  
What's underneath should make 'em nervous (yeah-eh-eh)  
In my past  
I put my heart in someone else's hands (else's hands)  
Let everybody tell me who I am (ooh, ooh, ooh; hmm, hmm)  
But now I understand  
That if I'm gonna love someone (one)  
I'm just gonna love myself (self)  
I already know I'm fabulous  
I don't need no one else (no one else)  
And yes I'm gonna love my curves (curves)  
And yes I'm gonna love my scars (scars)  
And I'ma be the only one (one)  
Who's never gonna break my heart  
I woke up feelin' fabulous (hey sister, go sister, oh sister, woah)  
I woke up feelin' fabulous (hey sister, go sister, oh sister, woah)  
I woke up feelin' fabulous,

Yeah (hey sister, go sister, oh sister, woah)  
Don't wait on me, I'm fabulous,  
Yeah (hey sister, go sister, oh sister, woah)  
I woke up feelin' fabulous, I'm fabulous,  
I'm fabulous (hey sister, go sister, oh sister, woah)  
Don't wait on me, I'm fabulous, wait on me,  
No (hey sister, go sister, oh sister, woah)  
I woke up feelin' fabulous (hey sister, go sister, oh sister, woah)  
Don't wait on me, I'm fabulous,  
Yeah (hey sister, go sister, oh sister, woah)
