

# Easier

## 5 Seconds of Summer

Is it easier to stay? Is it easier to go?  
I don't wanna know, oh  
But I know that I'm never, ever gonna change  
And you know you don't want it any other way  
Why do we always gotta run away?  
And we wind up in the same place  
It's like we're looking for the same thing  
Same thing, yeah  
Yeah, do we really gotta do this now?  
Right here with all your friends around  
In the morning, we can work it out  
Work it out  
I love you so much that I hate you  
Right now, it's so hard to blame you  
'Cause you're so damn beautiful  
You're so damn beautiful  
Is it easier to stay? Is it easier to go?  
I don't wanna know, oh  
But I know that I'm never, ever gonna change  
And you know that you're always gonna stay the same  
Is it easier to stay? Is it easier to go?  
I don't wanna know, oh  
But I know that I'm never, ever gonna change  
And you know you don't want it any other way  
Every time that you say you're gonna leave  
That's when you get the very best of me  
You know we need it like the air we breathe  
Air we breathe, yeah  
I love you so much that I hate you (Oh-oh-oh-oh-oh-oh)  
Right now, it's so hard to blame you (Oh)  
'Cause you're so damn beautiful (Oh)  
You're so damn beautiful (Oh-oh, oh-oh)  
Is it easier to stay? Is it easier to go?  
I don't wanna know, oh  
But I know that I'm never, ever gonna change  
And you know that you're always gonna stay the same  
Is it easier to stay? Is it easier to go?  
I don't wanna know, oh (I don't wanna know)  
But I know that I'm never, ever gonna change  
And you know you don't want it any other way  
The hardest part of all  
(Da-da-da-dum-da-da)  
Is that we're only built to fall  
(Is it any easier?)  
Is it easier to stay? Is it easier to go?  
I don't wanna know, oh (Oh-oh)  
But I know that I'm never, ever gonna change  
And you know that you're always gonna stay the same (Is it easier?)

Is it easier to stay? Is it easier to go? (Yeah)  
I don't wanna know, oh (Oh)  
But I know that I'm never, ever gonna change  
And you know you don't want it any other way I love you so much that I hate you (Oh-oh-oh-oh-  
oh-oh-oh)  
Right now, it's so hard to blame you  
'Cause you're so damn beautiful
