

True Love Will Find You In the End

Matthew Good

True love will find you in the end
You'll find out just who's your friend
Don't be sad I know you will
Don't give up until
True love will find you in the end This is a promise with a catch
'Cause only if you're looking will it find you
'Cause true love is searching too
But how will it recognize you
Unless you step out into the light, the light Don't be sad I know you will
Don't give up until
True love will find you in the end
Don't be sad I know you will
Don't give up until
True love will find you in the end
