

# Principal's Office

## Young MC

Now normally if I can help it  
I don't spend a lot of time in the principal's office  
What!?! Nine o'clock  
Now as I get to school, I  
hear the late bell ringing  
Running through the hall, I hear the glee club singing  
Get to the office, I can hardly speak  
'Cause it's the third late pass that I got this week  
So to my first class I run and don't walk  
All I hear is my sneakers and the scratching of chalk  
And when I get to the room, I hear the teacher say,  
"Mr. Young, I'm happy that you could join us today"  
I try to sit down so I can take some notes  
But I can't read what the kid next to me wrote  
And if that wasn't enough to make my morning complete  
As I try to get up I find there's gum on my seat  
And with the seat stuck to me, I raise my hand and say,  
"Excuse me, but can I go to the bathroom, ma'am?"  
The teacher got upset and she screamed out "No"  
It's off to the principal's office you go  
Twelve o'clock comes with mass hysteria  
Everybody rushes down to the cafeteria  
Picked up my tray to have Thursday's lunch  
And when I tried the applesauce, I heard it crunch  
I'm running up the stairs with a front tooth broken  
The nurse just laughed and says, "you must be jokin'"  
I looked up at her with a smile on my face  
No joke 'cause my front tooth is out of place  
So I walk through school with ice on my lip  
A nurse's late pass like a gun on my hip  
My books are real heavy, I walk and I'm dragging it  
No school lunch next week, I'm brown-bagging it  
Forget class, I'ma shoot some ball  
With a late pass I've got no trouble at all  
But then the nurse walks up and says, "Whaddya know?"  
It's off to the principal's office you go  
Recess  
Passing notes is my favorite pastime  
I can't wait to find a girl to pass mine to  
To express my feelings  
Give me a week, me and the girl will be dealin'  
Now one young lady was looking at me  
I said, "Hi, my name is Marvin, known as Young MC"  
But then the bell rang and the teacher came in  
And that's when the game of passing notes will begin

I wrote the first note, told her she was fine  
And I hope that the two of us could spend some time  
She wrote me back and told me, "You're fine too,  
I'd love to go on a date and spend some time with you"  
So then I sat there reeling and looking at the ceiling  
Words can't express the way that I was feeling  
Then I thought to myself, The sure way to get her  
is to write another note, oh yes, a love letter  
When I finished the note it was ready to pass  
The teacher took it and read it right in front of the class  
She read it word by word and line by line  
And everybody who was laughing was a friend of mine  
Even my girl was laughing, it was too late  
No need to write another note, 'cause there would be no date  
The teacher looked at me and I said, "I know,  
it's off to the principal's office I go"Yo, you think this bad?  
Wait 'til I get my report card
