

Like lightning
Like lightning
Like lightning I keep me emotions down under
Trying to focus on fun stuff
But I'll bring you lightning and thunder
To power your heart until it functions
Just tell me you're gonna return the feeling
'Cause baby you know I give you the real thing
And my love will be a shock to your system
Look nobody can replace my position It's like every little thing you do
I just want me and you Light me up, light me up, light me up
Like lightning
Light me up, light me up, light me up
Like lightning
Light me up, light me up, light me up
Like lightning
Light me up, light me up, light me up
Like lightning [Havana Brown &
It's like every little thing you do
Like lightning
I just want me and you
Like lightning
Every little thing you say
Like lightning
You can try and walk away
Like lightning
