

Love Divine

BT, Stefan Dabruck & Christian Burns

I never left the room
I never turn the corner
I never cut the wire again I couldn't bear to see
Another static ocean
Another drop of honesty Another day could push me
Another day could kill me
Another day could knock me out And I will sing
This life will shine
And we can be
This love divine
Don't want to know
What we might find
Cause sitting in your arms
Is your love (your love your love)
Don't let me down And I will sing
This life will shine
And we can be
This love divine Don't want to know
What we might find
Cause sitting in your arms
Is your love (your love your love)
Don't let me down Another day could push me
Another day could kill me
Another day could knock me out
And I will sing
This life will shine
And we can be
This love divine Don't want to know
What we might find
Cause sitting in your arms
Is your love (your love your love)
Don't let me down
