

# O Holy Night (feat. Michael Crawford)

David Foster

Oh holy night the stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth  
A thrill of hope, the weary world rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees, oh hear the angel voices  
Oh night divine, oh night, when Christ was born  
Oh night divine, oh night, oh night divine  
Truly He taught us to love one another  
His law is love and the gospel is peace  
Chains shall He break for the slave is our brother  
And in His name all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we  
Let all within us praise His holy name  
Christ is the Lord that ever never praise we  
Noel, Noel, oh night, oh night divine  
Noel, Noel, oh night, night divine  
Noel, Noel, oh holy night
