

Time Don't Run Out On Me

Anne Murray

(Written by Carole King and Gerry Goffin)Time, don't run out on me
Gotta make you love me the way you used to do
Gotta get back the feeling and put wind in my sails
And chart a course that gets me back to you, back to you.Oh, the lonely days, the lonely nights
lookin' back in time
Time, don't run out on me.
I've gotta get back to where we used to be (where we used to be)
Time, don't run out on me, don't run out on me.There's one more thing I gotta do before I pack
it in
Gotta make the right moves,
Say the right thing to change your mind
And find a way to get you back again, back again.All the wasted time, the lonely nights lookin'
back in time
Time, don't run out on me.
I've gotta get back to where we used to be (where we used to be)
Time, don't run out on me.
Once I could catch your eye across the room
And know just what you were thinkin'
And when I held you in my arms, we'd dream as one
But those days are gone, somethin' went wrong
And when I wake up to the mornin' sun I find myself sayin'.Time, don't run out on me,
don't run out on me,
don't run out on me.
Time, don't run out on me.
Time, don't run out on me.I've gotta get back to where we used to be (where we used to be)
Time, don't run out on me (time don't run out on me.)
(Time, don't run out on me.)
(Time, don't run out on me.)
(Time, don't run out on me...)Time Dont Run Out On Me
(O Tempo não corre para mim)
Gotta make you love me the way you used to do
Faria você amar-me da maneira que você costumava fazerGotta get back the feeling and put
wind in my sails
Faria voltar o sentimento e por vento em minhas velasAnd chart a course that gets me back to
you, back to you
E me faria achar um curso de volta para você, de volta pra vocêOh, the lonely days, the lonely
nights lookin' back in time
Oh, os dias solitários, as noites solitárias, olhando para trás no tempoTime, don't run out on
me - O tempo não corre para mimI've gotta get back to where we used to be (where we used to
be)
Eu teria que voltar para onde costumava-mos estar, para onde costumávamos estarTime, don't
run out on me, don't run out on me

O Tempo não corre para mim, não corre pra mim There's one more thing I gotta do before I
pack it in
Há uma coisa mais que teria que fazer antes disso Gotta make the right moves, say the right
thing to change your mind
Teria que fazer os movimentos certos, dizer a coisa certa para mudar sua cabeça
