

# Spoil You Rotten

## Father

Never seen a girl  
Who hypnotize like you  
Who walk like you  
Who talk the way you do  
Lately I've been plottin'  
To slip you out those cottons  
You want it girl you got it  
I just want to spoil you rotten  
Quit fuckin' around and let's fuck around  
I just want to spoil you rotten  
Quit fuckin' around and let's fuck around  
I just want to spoil you rotten  
Take the melancholy mix it with Moët  
Make it rain make her get more wet  
Take my chain rep my set  
Give her something that she won't forget  
Awful fall but niggas wanna' stay hot  
Bonfire with they friends oo-fire, oo-fire  
Say they gettin' to these ends  
You liar you liar  
Circle jerkin holdin' hands  
Kumbaya kumbaya  
Oo-mama why you hangin' wit this Bumbaclot  
Come and kick with your boy, baby I got room for ya'  
Sim-sima  
Who got the keys to my bimmer  
Who get you wetter than the keys in September (please remember)  
Never seen a girl  
Who hypnotize like you  
Who walk like you  
Who talk the way you do  
Lately I've been plottin'  
To slip you out those cottons  
You want it girl you got it  
I just want to spoil you rotten  
Quit fuckin' around and let's fuck around  
I just want to spoil you rotten  
Quit fuckin' around and let's fuck around  
I just want to spoil you rotten  
Take the melancholy mix it with Moët  
Make it rain make her get more wet  
Take my chain rep my set  
Give her something that she won't forget  
She fuck with me cause I'm sure to shine  
What's yours is yours and what's yours is mine

I'm bright as hell like the Florida sun  
You mad as hell you can't afford me huh?  
That girl there she ignored you huh?  
Take it out on me cause she adore me huh?  
Oh my god oh my god  
Baby I'm too drunk to drive  
Won't you let me come inside  
She try make me cum inside  
Sayin' shit like  
Make me numb inside  
And I don't know what I did  
Drank too much rum and I died Never seen a girl  
Who hypnotize like you  
Who walk like you  
Who talk the way you do  
Lately I've been plottin'  
To slip you out those cottons  
You want it girl you got it  
I just want to spoil you rotten
